TREE PLANTING IMPROVES QUALITY OF LIFE

Wednesday, Sep 16, 2020

Our environment needs humans' tender loving care and we can do so by engaging in environmental activities that also improve our quality of living such as tree planting. Trees have lots of benefits and tree growing is an essential way countries across the globe are doing to avert the harsh impacts of climate change. We have seen the damage it wrought upon us in the form of super typhoons, monsoon rains, landslides, and erratic weather conditions. This month of September, the Civil Service...
